OUTSIDE GLAZE REQUIRES A TRIVET*

Members are responsible for providing their own Trivet/Kiln Cookie

- **Trivet / Kiln Cookie:** A thin, flat, slab or disc of clay that is placed under wares during glaze firing.
 - Trivets should be at least a 1/2" wider than the base of the glazed ware.
 - Add your artist mark to your trivets. (trivets can be reused)
 - **BISQUE FIRE trivet** before using under glaze ware or may explode in the kiln!

***PRODUCTION POTTERS** who use an outside glaze consistently can speak with the Ceramic Studio Coordinator. Approval is not guaranteed.

SEASONAL GLAZE

Our latest seasonal studio glaze is Coral Red. It will be restocked annually on November 1st to become a featured glaze for the holiday season.

NEW STUDIO CLAY BODY

Once **Buff Stoneware w/ Ochre** is sold out it will be replaced with **Standard 225 Brown**.

CERAMIC STUDIO UPDATE BOARD

The Ceramic Studio information board has been moved to the glaze room door.
