NORTHEAST WISCONSIN TECHNICAL COLLEGE
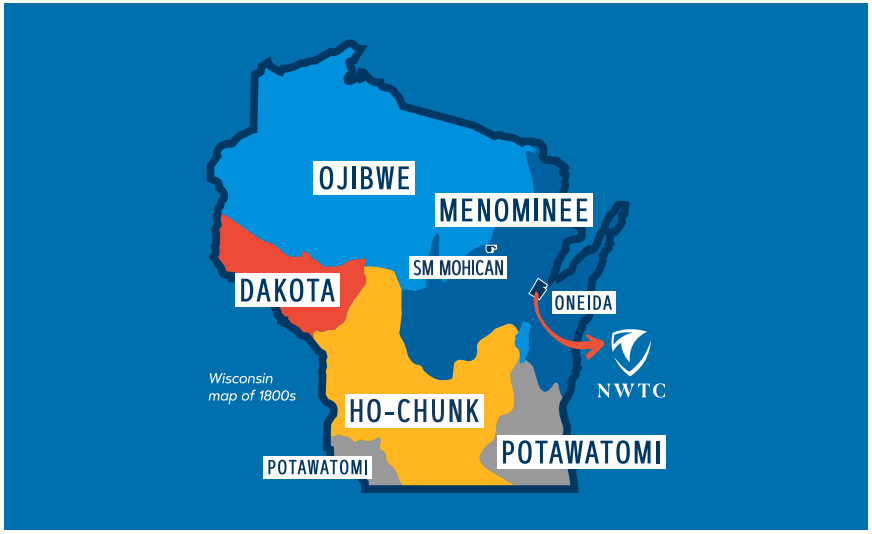
Dr. Kristen Raney, President

DISTRICT BOARD OF TRUSTEES
Cathy Dworak, Chair
Richard Stadelman, Vice-Chair
Gerald Worrick, Secretary
Jeff Rickaby, Treasurer
Carla Hedtke
David Mayer
Kelly Robinson
Brenda Mendolla-Buckley
Dustin Delsman



At Northeast Wisconsin Technical College, we recognize our Green Bay campus is located on the ancestral and present-day lands of Indigenous people. The following land acknowledgment affirms our continual commitment to Native nations:

The region served by Northeast Wisconsin Technical College occupies the ancestral home of the Menominee Nation, who have persisted here in Northeast Wisconsin from before recorded history to the present day. The College's Green Bay campus exists upon lands ceded from the Menominee Tribe to the Oneida Nation. We acknowledge this land we stand upon today as sacred, historical, and significant to the Menominee and Oneida Nations, as are the lands of all First Nations People.

- **"occupies"** demonstrates an acknowledgment of stewardship rather than ownership that is important to Native people
- **"persisted"** acknowledges the struggle and resilience of the Menominee people to continue to exist in the only place they have ever called home as described in "from before recorded history"
- **honors the transfer** of stewardship between tribes, rather than highlighting the removal of tribe
- this is a statement meant **to be inclusive to all of Wisconsin's many tribes** that at one time called our district home

Copper Box

Commencement Speaker

Chris Woleske, J.D., is the Executive Vice President of Bellin and Gundersen Health System and the Bellin Region President. She joined Bellin in 1998 and served in leadership roles including general counsel, executive vice president leading hospital services, and ultimately chief operating officer prior to her appointment as president and chief executive officer of Bellin Health in 2018. In 2022, when Bellin Health and Gundersen Health System merged, she took on her current role.

Chris Woleske, J.D.
Executive Vice President, Bellin

As a member of the executive leadership team, Ms. Woleske has led strategic planning and operational execution of key initiatives. She participated in the strategic growth of Bellin Health from a hospital-centered healthcare system to an integrated healthcare delivery system that includes primary, specialty, acute, and ambulatory care. In her role as CEO of Bellin Health, Ms. Woleske led the organization in a transformative journey from a health system to a population health organization, participating in risk-sharing arrangements to achieve better health outcomes, healthier populations, and more affordable healthcare. Ms. Woleske is active in the community and has served on many boards and committees. She is currently a member of the Board of Directors of the Green Bay Packers, Krueger International, Inc., and Wisconsin Hospital Association, and is a member of the Marquette University Board of Trustees.

A graduate of the Stanford Graduate School of Business Executive Program, Ms. Woleske earned her Doctor of Law (J.D.) from Marquette University Law School and has a bachelor's degree in healthcare administration from UW-Eau Claire. She is a fellow of the American College of Healthcare Executives.

Student Speaker

Iana Tikhoniuk is NWTC's 2024 District Ambassador, honored as part of the Wisconsin Technical College System (WTCS) District Ambassador program.

Iana Tikhoniuk
NWTC 2024
District Ambassador

The program selects one student from each of the state's 16 technical college districts to advocate for vocational and technical education locally and at the state level. As part of her one-year term, Iana will make special appearances, give presentations, and participate in events on behalf of NWTC and the WTCS.

Iana is graduating from the Design & Graphic Technology and Printing programs. In addition, she works in the Student Involvement and International Programs office.

"After my cultural exchange year at NWTC, the dynamic, encouraging atmosphere and the availability of cutting-edge technology and resources motivated me to return for an associate degree," Iana said. "My skills in communication and leadership have evolved since my arrival, thanks to the comprehensive support system. I extend my heartfelt gratitude to all those who have contributed to my journey of personal and professional development, instilling in me confidence in my academic capabilities and potential. I am eager to contribute to the college community, proposing innovative ideas for improvement and promoting them across diverse student organizations and partnerships. I firmly believe the foundation for our collective future lies within the halls of NWTC. Through mutual support and collaborative efforts, we can construct a future that reflects our shared aspirations and ambitions."

Veteran and Service Member Recognition

Since World War I, challenge coins have been used to honor, encourage, and reward individuals for their personal and professional accomplishments. A symbol of strength and commitment, these coins are given to NWTC graduates who have served. The College appreciates the service and sacrifices these students provided while serving our country and their dedication to continuing their education. NWTC recognizes these students as an important part of the campus community and therefore awards them a special challenge coin. Graduates wearing the red, white, and blue cords are students who are military veterans or are currently serving in the Armed Forces.

Global Designations

Northeast Wisconsin Technical College is committed to expanding the world view and global perspectives of students by providing opportunities to interact with international students and to understand various cultures from around the world. The stoles you see with a flag motif either represent the home country of those international students who have studied at the College or the country students studied in while participating in an NWTC-sponsored study abroad trip or in an international service learning opportunity during their time at NWTC.

Cultural Regalia

Northeast Wisconsin Technical College champions all students to proudly celebrate their identity and cultural heritage. It is NWTC's sincere hope that our graduates are proud of their journey and who they have become since enrolling at our college. In addition to, or in lieu of, wearing traditional graduation regalia, graduates are encouraged to consider including cultural, religious, and/or ceremonial attire appropriate to the significance of the occasion. Examples include, but are not limited to, military dress uniforms, cultural beadwork and embroidery, decorated caps representing heritage, and identity-based stoles or cords.

Phi Theta Kappa

International Honor Society of the Two-Year College

Phi Theta Kappa's mission is two-fold: 1) recognize and encourage the academic achievement of two-year college students and 2) provide opportunities for individual growth and development through participation in honors, leadership, service, and fellowship programming.

The golden Honors Stole has been worn by Phi Theta Kappa graduates for more than 25 years. The Honors Stole is made of gold satin and finished with a blue Greek letter monogram.

Phi Theta Kappa (3.50 - 4.00 GPA) {gold stole}

Honors Notation

** Highest Honors (3.75 - 4.00 GPA) {gold honor cord}

* Honors (3.50 - 3.74 GPA) {teal honor cord}

Associate degrees, technical diplomas, and certificates requiring more than 15 or more credits are eligible to receive honor notation.
