

Anne Aling

Green Bay, WI 54304

920-123-4567 • anne.aling@mymail.nwtc.edu

SUMMARY OF QUALIFICATIONS

- Experience with flame cutting oxy-acetylene, hand torch, and radiograph
- Recognized for excellence in flux core welding in all positions: mild and stainless steel
- Experience with the operation of pneumatic grinders and drills, power hacksaw, drill press, and gas engine driven welder
- Skilled at inspection, measurement, and testing of completed metal work pieces to ensure conformance to specifications, using measuring and testing devices
- Trained others on starting, monitoring, and adjusting robotic welding production line
- Strong and effective communication skills both written and spoken
- Bilingual in Spanish and English

EDUCATION**Northeast Wisconsin Technical College**, Green Bay, WI*Welding, Technical Diploma*

May 2024

- Relevant Coursework: Blueprint Reading, Metal Fabrication, Shielded Metal Arc Welding, Gas Metal Arc Welding, Metallurgy, Gas Tungsten Arc Welding, Flux Cored Arc Welding

WORK EXPERIENCE**Maintenance Technician**

September 2023 – Present

Right Track Industry, Green Bay, WI

- Inspect, operate, and test machinery or equipment to diagnose machine malfunctions
- Inspect drives, motors, and belts, check fluid levels, replace filters, and perform other maintenance actions, following checklists
- Perform routine preventive maintenance to ensure that machines continue to run smoothly and building systems are operating efficiently
- Record type and cost of maintenance and repair work according to company regulations

Welder Intern

May 2022 – September 2023

ETS-Lindgren, Green Bay, WI

- Joined, fabricated, and repaired metal and other weldable material by applying appropriate welding techniques
- Laid out and fabricated precision welds and elements from blueprints and engineering concepts
- Welded to ASME code and 100% x-ray
- Inspected completed welds to determine structural soundness
- Worked independently or as part of a team, while making sound decisions and solving technical problems
- Relied on experience and judgment to plan and accomplish goals

COMMUNITY INVOLVEMENT**Translator/Tutor**

January 2024 – Present

Literacy Green Bay, Green Bay, WI
